

Member-at-Large
Annual Report for 2008-2009

Electronic Mailing Lists

I moderate the Chapter's two electronic mailing lists: ACRLNEC.News and ACRLNEC.Jobs:

- ❖ As of May 5, 2009, ACRLNEC.News had 1,623 subscribers, a 7.5% increase from July 2008. New ACRLNEC members are automatically added to the list; non-members may also subscribe. Posting activity was steady for much of the year, with a total of 211 messages being sent out.
- ❖ ACRLNEC.Jobs has 702 subscribers, a 14% increase from July 2008. A total of 71 postings were approved for this list over the past 12 months.

Tim Spindler, the Chapter's Communications Co-Coordinator (Web), helped me in resolving an intermittent technical issue involving the number of messages that could be mailed from the list at one time. We have increased our mailing capacity with Bluehost, our hosting service, and have not had any reported problems since that change.

Calendar

The calendar is being maintained on the ACRLNEC website (<http://www.acrlnec.org/calendar/month.php>) as events are announced. I post some of the chapter events as well as the annual conferences of other regional and national library associations. Chapter SIG and committee chairs also post information regarding their programs to the calendar.

Other

I am a member of the Chapter's Scholarship & Awards Committee and the Communications and Marketing group. I also prepared information in support of the Chapter President's and Vice President's northern New England outreach activities relating to the NELA Conference in October 2008.

Respectfully submitted,
Louise Buckley
ACRLNEC Member at Large, 2008-2010
