

Continuing Education Committee – 2010-2011 Annual Report

The Continuing Education Committee consisted of Committee Co-Chairs, Laura Hanlon and Phil Waterman. Laura and Phil worked on the Conference Planning Committee for the Annual Conference. Laura worked on programming, and Phil coordinated the virtual conference for the Maine and Vermont sites. Phil and Laura also worked with the Professional Development Committee to create and implement a survey of the professional development needs of ACRL-NEC members. Survey results are being analyzed, but should provide some definite direction to the future efforts of the Continuing Education Committee.

Laura Hanlon has resigned as Committee Co-Chair, and Carina Cournoyer of Brown University will be the new Co-Chair for 2011-2012.

Respectfully submitted,

Phil Waterman

Co-Chair

Continuing Education Committee
